SGA is coordinating a water drive on the Caldwell Campus as part of the relief effort for Hurricane Katrina victims. You are encouraged to donate any filled containers of water (gallons, multi-packs, etc.) to collection boxes located in the Student Lounge and the SGA Office on the bottom floor of E-building. The drive will continue through Monday, Sept. 19. Thanks for your help!

There is still room for a few teams, players (and sponsors!) in CCC&TI's third annual golf tournament on Thursday, Sept. 29th, at Cedar Rock Country Club. For more information, contact Bill Payne at 828.726.2388.

Take note! Free tutoring services are available through the Academic Support Centers (ASC) on both campuses. The Centers offer tutoring in English, math, reading, anatomy & physiology, history, psychology, accounting, computer technology, and other subjects as needed. For more information, contact Camille Annas (ext. 2259) or Jennifer Haas (ext. 2725) on the Caldwell Campus; Nancy Leonard (ext. 5239) or Laura Wollpert (ext. 5295) on the Watauga Campus. Brochures, newsletters and orientations are available for your classes. The ASC is located in F-146 on the Caldwell Campus and hours are Monday - Thursday 8 am to 9 pm and 8 am to 4 pm on Fridays. On the Watauga Campus, the ASC is located in Room 110, and the hours are Monday - Thursday 8 am to 9 pm and 8 am - 2 pm on Fridays.

Welcome Back!

It’s a new year with a lot of new faces. You can sense the excitement on campus. Remember this is YOUR community college, and each of us will play a role in determining the future of Caldwell Community College and Technical Institute. Communication is key. As we consistently encourage students to "ASK FOR HELP" if they have questions or concerns, I encourage faculty and staff members to also "ASK FOR HELP" if there are questions or concerns about the day-to-day-day activities at our college.

In working together, we should take pride in our ability to change the lives of thousands of people in the region. Our students should take pride in their accomplishments within an environment that expects excellence and work with us to continue to improve the quality of the programs and services we offer. We are Caldwell Community College and Technical Institute, and it is important that we remain strong as we face both the challenges and opportunities of tomorrow.

Garrett Hinshaw, CCC&TI Executive Vice President

Coasters, Drifters, and the Platters to Perform at the J.E. Broyhill Civic Center

Cornell Gunter’s Coasters, Elsbeary Hobbs’ Drifters and the Platters will perform at the J.E. Broyhill Civic Center of Caldwell Community College and Technical Institute on Saturday, September 24, at 3 p.m.

Cornell Gunter’s Coasters have continued to build up a new market for their approach to 1950’s music over the years with such hits as "Charlie Brown," "Yaketey Yak," "Poison Ivy," "Love Potion Number 9," and "Peggy Sue."

Elsbeary Hobbs’ wife Odessa Hobbs has united many of her late husband’s former band members as the Elsbeary Hobbs Drifters to commemorate much of the great material to which he contributed so artistically. Some of the Drifters hits include, "There Goes My Baby" which was the first rhythm and blues record to incorporate violins, "This Magic
Moment," "Under the Boardwalk," and "Save the Last Dance for Me."

The Platters, one of the first doo-wop groups to be inducted into the Rock and Roll Hall of Fame, became famous with their ballad "Only You" in 1955. Other hit songs include, "With This Ring," "Smoke Gets in Your Eyes," "One in a Million," and "My Prayer."

To purchase tickets or for more information, contact the J.E. Broyhill Civic Center box office at (828) 726-2407, or visit www.broyhillcenter.com. Ticket prices range from $35.50 to $39.50. VISA, MasterCard, American Express and Discover are accepted.

Great News from the Civic Center and SGA!

Once again, FREE tickets will be available to the CCC&TI students for JEBCC/CCC&TI events. Up to 150 tickets are available for each of the shows! Be sure to check out the website at www.broyhillcenter.com for a complete listing of the entire season. Remember, CCC&TI employees receive subscriber discounts to each event as well. For details, contact the Box Office at 726-2407.

Academic Support Director Retires

"Some students you just never forget," said Teena McCrary, Director of the Academic Support Center at Caldwell Community College and Technical Institute. After more than 30 years of service to the college, McCrary retired at the end of July.

McCrary started working part-time for CCC&TI in the Academic Support Center, then called the Learning Center, in 1970. In 1976, she began full-time in the Academic Support Center.

The Academic Support Center helps students who need academic assistance. Through the Academic Support Center, students may seek tutors, take developmental courses, utilize the computer lab and review for placement and Praxis tests.

McCrary has done a variety of jobs in the Academic Support Center, from teaching a session of math each semester, to working with disability services, to serving as the director of the Academic Support Center. "She has been wonderful at this school and with students," said Camille Annas, an instructor in the Academic Support Center and a colleague of McCrary's. "Everyone remembers Teena after they have met her."

"Teena McCrary's service and dedication to CCC&TI has been amazing. Throughout her 29 years of service, Teena has touched the lives of countless students through her role as instructor, an advisor, a tutor, and a leader. Teena will be truly missed by her students and peers," said David Shockley, Vice President of Student Services.

Although McCrary is retiring, she plans to continue working part-time for the Academic Support Center at CCC&TI, primarily focusing on disability services.

“WISE UP” with Student Workshops

Student Services and TRIO/Student Support Services of CCC&TI will be sponsoring another year full of informative WISE UP Workshop Information Series on Education, Understanding, and Professionalism) workshops.

"The WISE UP workshops give students more information on topics not covered in class. They are supplemental to what students learn in class," said Becky Boone, a TRIO/Student Support Services counselor at CCC&TI. Boone organized the workshops
along with Kim Roper, Coordinator of Counseling and Personal Development.

New to the WISE UP workshops this year is a series on personal health and wellness. Topics for the wellness series include a discussion on addiction, domestic violence, the Great American Smoke Out and National Mental Health week. Another week will be dedicated to anxiety, with workshops being held discussing math anxiety and test anxiety. Workshops about the new Campus Cruiser and Blackboard applications will be held each month. The Campus Cruiser workshops will give students a preview of the new application, as well as show them how to use their campus email and personal calendars, customization of their own dashboards, online registration and who to call for help.

The workshops are free to all students. "You don’t have to sign up, just show up," said Roper. All workshops will be held each week from 12:00 pm until 12:50 pm in room B-134, with the exception of Blackboard and Campus Cruiser workshops which will be held in B-104. The workshops will be transmitted via video conferencing to room 114 on the Watauga campus, which is another new feature to this year's workshop series.

"The workshops allow Student Support Services to make a connection with the students," said Roper. Boone added that many from the community participate in the workshops, pulling it all together, from the community and the school.

September 17th has been proclaimed National U.S. Constitution Day. (CCC&TI will observe this day on Mon., Sept. 19th, with special classroom activities and trivia passed out by the SGA.)

**What is Constitution Day?**

Most Americans know that July 4th is our nation's birthday. Far fewer Americans know that September 17th is the birthday of our government, the date in 1787 on which delegates to the Philadelphia Convention completed and signed the U.S. Constitution.

The ideas on which America was founded--commitments to the rule of law, limited government and the ideals of liberty, equality and justice--are embodied in the Constitution, the oldest written constitution of any nation on Earth. Constitution Day is intended to celebrate not only the birthday of our government, but the ideas that make us Americans.

See last page of this issue for trivia about the Constitution.

Employee Awards

E.M. Dudley Employee Achievement Award

The E.M. Dudley Employee Achievement Award is presented annually to an employee who has excelled in service to the college. Employees are nominated by other college staff, and nominees are then reviewed by a committee to document the quantity and quality of the achievement of nominees. This year, the E.M. Dudley Employee Achievement Award was presented to Michelle Triplett, who has excelled in service to the college, its students, and the community served by the college.

Brenda Goble Executive Assistant/Administrative Assistant Award

The Brenda Goble Executive Assistant/Administrative Assistant Award was established in 2004, by Brenda Goble upon here retirement March 1, 2004, as a way of showing appreciation to her co-workers during Brenda’s past 32 years of service at the institution. The purpose of the award was to reward a full-time executive assistant/administrative assistant with a cash award of up to $150 annually for ten years who has demonstrated outstanding service to the institution through quality job performance and who has shown professionalism and cooperation with other employees, and dedication to the success of the institution. The award was also based on an executive assistant or administrative assistant who has demonstrated an interest and effectiveness in all areas for professional growth, educational goals, skills in accomplishing the job, and a willingness to perform job-related assignments efficiently. The recipient of this year’s Brenda Goble Executive Assistant/Administrative Assistant Award is Sheila Pritchard, Student Support Services.

Outstanding Part-time Faculty Award

Nominations for Outstanding Part-time Faculty/Staff Awards are based on the quality of work, quantity of work, commitment and dedication to the job, professionalism, initiative and dependability, attitude toward the job, as well as working effectively with others. The recipient of the Outstanding Part-time Faculty Award is Billie Toney.
Outstanding Part-time Staff Award

Nominations for Outstanding Part-time Faculty/Staff Awards are based on the quality of work, quantity of work, commitment and dedication to the job, professionalism, initiative and dependability, attitude toward the job, as well as working effectively with others. Livia Bentley, Evening Receptionist, is the recipient of this year’s Outstanding Part-time Staff Award.

Colleague of the Year Award

Nominations and criteria used were based on the quality of work a person does and how the work is performed, job performance, collegiality with all personnel (including students), community involvement, professionalism, and other attributes normally associated in making the person a pleasure to work with as well as being a “best-all-around” person. This year, three awards were presented to Tony Bowers, Pam Rowe, and Michelle Triplett.

Lydia Beam Memorial Award

The Lydia Beam Memorial Award was established in 1988 by Dr. H.E. Beam and his family in memory of Lydia Beam. The purpose of the award was to reward a full-time Administrative Assistant with a cash award of $100 who has demonstrated outstanding service to the institution through quality job performance and who has shown professionalism, cooperation with other employees, and dedication to the success of the institution.

The person selected for this award demonstrates outstanding service to the Institution through quality job performance. She has shown initiative and dedication, not only to her job but also by assisting all college employees and students in any way possible. She is a very friendly individual and is more than willing to go the extra mile whenever the situation warrants. She is a great asset to this college. The recipient of this year’s Lydia Beam Memorial Award is Lisa Helton, Administrative Assistant, Faculty Services.

Hurricane Katrina Relief Efforts

SGA is coordinating a water drive on the Caldwell Campus, as part of the relief effort for Hurricane Katrina victims. You are encouraged to donate any filled containers of water (gallons, multi-packs, etc.) to collection boxes located in the Student Lounge and the SGA Office on the bottom floor of E-building. The drive runs through Monday, Sept. 19. Thanks for your help!

The Watauga Campus is organizing a Red Cross blood drive to be held on September 15. We are in the same district as Alabama, so the blood collected here can be used to help there. For more information, contact Bill Patterson.

Martha Zimmerman is exploring the acceptance of up to five Physical Therapist Assistant students from PTA programs in the Gulf region who may not be able to proceed with their program. She has asked the APTA to help identify possible students.

Debbie Mitchell, CCC&Ti Landscape Gardening director, took up donations and items needed for Project HALO. Contributions are being delivered to the Carolina Raptor Center which will assist with Emergency Animal Rescue Services.

Larry Ferguson, a student at CCC&Ti, will be housing two families displaced from Katrina. Landscape Gardening students are gathering clothing and other needs. The families are expected to arrive this weekend.

The Caldwell County Career Center HOSA (Health Occupations Students of America) and Skills USA student led organizations are launching a campaign to aid the victims of Hurricane Katrina. "Beads for the Needs of the Bayou" is a campaign created by the Caldwell County Career Center students that consist of distributing a string of Mardi Gras beads to individuals that donate $1 for the American Red Cross/Hurricane Katrina Relief Fund. The students will be conducting this fundraiser through Monday, September 12. Anyone interested in donating may contact the Caldwell County Career Center at 726-2606, or email caldwellhosa@yahoo.com.
