

## There are five enrollment status brackets for each semester:

- Full-time Plus: 15 or more credit hours\*
- Full-time: 12 or more credit hours
- Three quarter-time: 9-11 credit hours
- Half-time: 6-8 credit hours
- Less than half-time: 1-5 credit hours

\*Full-time Plus applies only to the North Carolina Community College Grant (NCCCG) state aid program. State aid is not available for summer terms of enrollment.

## Enrollment Example:

- A student is enrolled in 13 credit hours at the beginning of the term.
- On the first day of the term, two, 3 credit hour courses begin. The student is currently attending half-time with 6 credit hours.
- A one credit hour course begins four weeks later. At this point the student is currently still attending half-time status with 7 credit hours.
- Two more 3 credit hour courses begin another 4 weeks later. The student is now enrolled full-time now that all 13 credit hours of classes have started.
- The student is now eligible for full-time aid.
