

Welcome to all CCC&TI students:

As your SGA president, I would like to welcome you to a new and exciting year at CCC&TI. Your Student Government Association has been working hard this summer to ensure a fun and exciting 2009-2010 school year.

The SGA represents all college students. We are here to be your student voice and enhance your experience at CCC&TI. SGA sponsors all of the student life activities, such as Fall Festival, Spring Fling, and many other social events during both semesters. Look for these opportunities through advertisements on campus, email, and word of mouth! In addition, we serve on every college committee where we are able to voice your concerns and bring your suggestions to light. It is not only our goal to better CCC&TI, but also our surrounding communities. We show our support through various events such as blood drives, charitable causes, and community clean ups. All of these aspects allow students to come together through extra-curricular activities, clubs, and organizations.

Our ultimate goal is to hear your opinions and concerns and voice them in the appropriate places through our Open Door Policy. Feel free to contact the SGA with any concerns or ideas that will better student life. You can reach us anytime by stopping by the office, located in E 118. Our officer hours are posted on the door at all times. If you do not have time to come by the office, you can call us at 828.726.2479 or email us at SGA@cccti.edu. Another resource is our advisor Kim Roper; her office is located in E 121. You can also call her at 828-726-2301 or email her at kroper@cccti.edu.

Once again the Student Government Association is here for you and we value your opinion and concerns! We hope that your year at CCC&TI will be one that you will never forget. It is not only education; it is a life experience.

Sincerely,

Christen Wilson
