Needs Based Scholarship Awarding Procedures

Students who complete the CCC&TI Scholarship Application and met the application criteria as stated below will be reviewed for scholarship awards. Because these funds are limited the selection and award amounts will vary from year to year.

Application Criteria

1. Complete the FAFSA process.
2. Have a substantial unmet need.
3. Meet Satisfactory Academic Progress Standards as set forth by the U.S. Department of Education.

Selection and Awarding Process

Applicants must meet the deadline for completion. Applications must be complete. No application with data missing will be considered. Applications will be reviewed for unmet need and programs of study. Awards will be made (if funding allows) according to the actual scholarship criteria ie nursing, medical field, specific county residency. Amounts of awards will be based upon available funding and numbers of eligible applicants.
