

The North Carolina General Assembly allocates funds to assist student parents enrolled in state community colleges with the financial responsibilities associated with child care expenses. The grant program is further supplemented through generous donations made by the CCC&TI Foundation. All student parents enrolled in at least six (6) credit hours or a 96 hour Continuing Education program may be eligible for this assistance and are encouraged to apply. Child care grant funds are awarded to student parents with demonstrated financial need as determined by the FAFSA or Federal Trio Guidelines and who meet other eligibility requirements.
