CCC&TI SuperSummer Camp Class Descriptions

Art: A Little Bit of Everything

Are you the creative and imaginative one in your class? Do you love to create art projects or just want to learn? In this course, you'll get to explore many different art forms and enjoy hands-on art projects that will be displayed in the college's art gallery on the last day of class.

Course Cost: \$65 Materials Cost: \$40 Max: 15 Students

Bacteriawesome

Are you interested in the creepy, crawly world of microorganisms? Want to know more about the bacteria that hides on your hands, in your mouth and everywhere around you? Then Bacteriawesome is for you! In this course, you'll explore the world of bacteria, where it grows, how to distinguish between good and bad bacteria, and even learn how to grow your own! With hands-on experiences and experiments, you'll learn everything you ever wanted to know about bacteria! Course Cost: \$65

Basketball Camp

Do you love to play basketball? Do you want to learn more and become a better player? Come learn more about basketball fundamentals such as ball handling, passing, dribbling, shooting and team play. Bring your friends and make it a team effort. Be sure to bring your gym clothes, tennis shoes and water bottle (with your name on it) so you can hit the court and get in lots of play time! Course Cost: \$65

Beyond the Lemonade Stand

Are you a future business owner? Want to learn how to be your own boss? "Beyond the Lemonade Stand" will teach you how to think like a leader, work with others, solve problems, communicate effectively, use numbers, data and technology to drive your success and much more. Your future starts here! Course Cost: \$65.00

Caribbean Carnival: Spanish for Kids

Hola! Explore the Spanish language and culture through music, games, arts, crafts, dance, and lots of fun! You'll learn basic phrases, conversation and the alphabet in Spanish, all while enjoying the excitement of Carneval de Caribe! Course Cost: \$65

Cheerleading/Tumbling

For the cheerleader in us all, this class will cover dance, cheer, chant, tumbling and stunting! You'll enjoy several team building and cheerleading activities to build self-confidence, plus proper techniques for jumps, motions, rhythm and timing. Be ready for high-energy and lots of fun! For this course, wear gym shorts or pants, t-shirt and tennis shoes and be sure that long hair is pulled up off the shoulders. No jewelry allowed. Bring a bottle of water with your name on it and don't forget your school spirit! Course Cost: \$65

Chemical Magic

Get ready for a fun-filled, "magical" laboratory experience. In Chemical Magic, you'll learn basic chemistry concepts including atoms, bonding, acids and bases, and fire and ice reactions. Bring home your projects and do your own magic with the mini chemistry kit you receive as part of this course, perfect for every budding scientist! Course Cost: \$65 Materials Fee: \$25

CSI: Lenoir

Become a super science sleuth! If you love CSI, you'll love this course about forensics, crime scene investigation and crime lab chemistry. You will get to perform your own experiments designed to show you just how those tricky cases are solved. Search for evidence, gather clues and discover how science can help solve real-life mysteries. Plus, bring home your own CSI Forensics Kit! Course Cost: \$65 Materials Fee: \$20

Computers in Your World

Want to know more about how to use the computer for schoolwork, gaming and more? This course, set in an interactive classroom, will offer hands-on experience in navigating multiple computer programs, playing games, uploading files, burning CDs and much more. If you have a digital camera or flash drive, you can even bring those to class and learn more about how to use them! Course Cost: \$65 Max: 15 Students

Dance

Do you love to dance? Do you want to learn some new moves? This course will help you learn how to express yourself through movement by learning various dance styles. You can also share your ideas and learn from fellow students by creating your own dance routine. Be sure to wear comfortable clothes, socks and tennis shoes and bring a water bottle with your name on it. Get ready to groove! Course Cost: \$65

Digital Photography

Discover the wonders of digital photography and gain useful skills to push your creative limits! In this course, you will learn the different elements used in photographing flowers, landscapes, people and other elements of nature. Whether you're an aspiring photographer or just want to take great pictures of your family and friends, this course is for you! Bring your own camera and cables for use in class. Course Cost: \$65

Discovery Theater

Use your imagination, movement, and creativity while you enjoy story drama, improvisation, puppetry, and playwriting. Explore your creativity through giving voice to inanimate objects and bringing stories to life. Course Cost: \$65

Easel Painting

Do you like to paint or have you always wanted to try your hand at it? In this course, you'll learn many techniques within the art of easel painting. At the end of the week, your work will be displayed in a gallery opening at the college and then will be yours to keep. Course Cost: \$65 Materials Fee: \$10 Max: 12 Students

Exploring Nature

Do you love the outdoors? Want to get closer to nature? This course will offer you a close look at animals, plants, the colors of nature and the beauty of the world around us. You'll be tromping all over campus on nature walks, so be sure to wear comfortable clothes that you won't mind getting dirty! Course Cost: \$65

Fantastic Firefighting

Experience the life of a firefighter! Tour a local fire department, meet and talk with local firefighters, learn about the fire trucks, see a live demonstration of a vehicle extrication, learn how ropes are used in rappelling, learn how to use fire extinguishers, and develop a home escape plan. Course Cost: \$65.00

Fly Fishing 101

Ever been interested in fly fishing? Want to learn to tie your own flies? This course will teach you the basic techniques used in every aspect of fly fishing. Students will get tie their own flies and learn how to cast a rod. They will also leave the class with their own tackle kit for all those future fishing trips. Course Cost: \$65 Materials fee: \$45

Guitar

Always wanted to play the guitar? This course is designed to help students who want to

CCC&TI SuperSummer Camp Class Descriptions

learn the basics of playing. This course is set to run over two weeks with a Part 1 and Part 2. The second session will build on the skills acquired in the first week. Students are required to provide their own guitar and accessories.
Course Cost: \$65

Intro to Robotics

Are you looking for a fun and exciting activity for your summer? CyberKids has an activity that will be the "hit of the summer." It's called Robotics Competition Teams. Robots will be designed, built and programmed to solve challenges. (These classes will only meet from 1:00 – 3:00 PM)
Course Cost: \$50.00

Intermediate Robotics

Follow up everything that you learned in the Intro to Robotics camp in this exciting sequel. Teams will use their robots to compete in competition to see who has designed the best robot for each challenge. (These classes will only meet from 1:00 – 3:00 PM) Course Cost: \$50.00

Jewelry Making

Are you ready to express your creativity by exploring the world of jewelry making? If so, then join your friends and discover the art of creating your very own designs! Lots of beading projects mean loads of fun!
Course Cost: \$65.00 Materials Fee: \$20.00 Max: 15 Students

"Kickin" Martial Arts

Kick it up this summer! Learn basic movements of martial arts and an overview of the many different styles and techniques. Be sure to dress in casual gym clothes and have socks available. You will also need a water bottle with your name on it. Course Cost: \$65.00
Max: 10 Students

Kids in the Kitchen

What's cooking? Learn how to prepare delicious from-scratch recipes for breakfast, lunch, dinner or snack time. Prepare your own lunch every day to enjoy when class is over. Wear clothing that will allow easy movement.
Course Cost \$ 65.00 Materials Fee: \$40.00
Max: 10 Students

Kids in the Kitchen-Advanced

In this cooking class kids will get to cook up delicious from-scratch recipes you can try for breakfast, lunch, dinner or snack time. Kids will get to prepare their own lunch every day to enjoy when class is over. Wear clothing that will allow easy movement. Course Cost: \$ 65
Materials Fee: \$40 Max: 10 Students

On Stage!

Engage in character exploration, improvisation, storytelling, and acting! Have fun experiencing the roles of actors, directors, audience members, designers, and playwrights while you put together short performance pieces in this exciting class.
Course Cost: \$65.00

Paramedic Adventure

Attention "ER," "House," and "Grey's Anatomy" fans! Ever wondered about a day in the life of a paramedic? Simulate, with makeup, common injuries paramedics encounter in the field while learning basic first aid techniques. This course will introduce you to job, work environment and education requirements of this exciting profession.
Course Cost: \$65.00

Pig Dissection

Ever been interested in what's on the inside? Join in and see first-hand how the dissection is handled and how the interior organs work together to keep the body alive. Gain hands-on experience in dissecting a fetal pig; small groups will be organized for easier assistance. Course Cost: \$65.00

Pottery

Like making things with your hands? Experience the world of pottery and learn the hands-on craft of creating many different types of pottery. All of the pieces that are created within the classroom will be displayed at a gallery opening at the college on the last day. Projects may be taken home at the end of the week. Course Cost: \$65.00 Materials Fee: \$10.00
Max: 12 Students

Sign with Your Hands and Eyes

Enter the fascinating world of using your body, hands and eyes to communicate using American Sign Language (ASL). This course will start with gestures and then fine-tune with more specific ASL signs. Play games and take part in other fun activities to learn basic ASL. Course Cost: \$65.00

Soccer Camp

This soccer camp will introduce soccer in a fun filled environment to boys and girls. Players will learn the fundamentals of soccer through a program of structured activities and fun games. It further develops the technical side of the game in a relaxed, fun atmosphere. Course Cost: \$65.00

Systems of the Body

Explore the amazing human body! Come learn about the different systems that make up your body, what their functions are and how they interact with each other.
Course Cost: \$65.00

The Roots of Music

Whether you prefer country, rock, jazz or classical music, this class has something for everyone. Explore the history and different types of music and how it impacts listeners. Course Cost: \$65.00

What Makes You Tick?

What makes you walk, talk, and think—in fact, what makes you, "You?" This class will introduce you to the things that make you who you are, such as your muscles, bones, and brain. Everyone is made up of the same basic parts but come learn what makes you unique. Course Cost: \$65.00

Wildlife Adventures

The National Wildlife Commission has loaded this course with many different daily activities. You will learn the art of archery, receive certifications in Hunter's Safety and Personal Watercraft Safety, and enjoy a day of fishing at a local pond. All materials will be supplied but please wear clothes that can get dirty!
Course Cost: \$65.00
