SuperSummer Camp 2018

Caldwell Community College
& Technical Institute
An equal opportunity educator & employer

Baking Magic • 6/25 - 6/29

Learn the science behind the magic of baking cakes and pastries. Students will prepare and enjoy items such as cupcakes, puff-pastry desserts, tarts and finish the week off with their own "Specialty" Cake. Monday - Friday • 9 am - 12 pm

Chocolates and Candies • 7/9 - 7/13

Sweets! Sweets! Sweets! Students will learn how chocolates, fruits and assorted candies come together to create awesome treats. Monday - Friday • 9 am - 12 pm

Pizza! Pizza! • 7/23 - 7/27

A different pizza every day including calzones, gourmet and dessert. Topping the week off will be a dough tossing contest. Monday - Friday • 9 am - 12 pm

Ages 9 and up.
Cost of each class is \$160 for the week.
Call 828.726.2242.

Classes will be held in the Culinary Arts Kitchen on the Caldwell Campus of CCC&TI.

SuperSummer Camp 2018

Extreme Super Summer is back and better than ever. Classes have been scheduled so that you get two great sessions for the low price of one.

Want to Build a Robot? Be sure to sign up for this camp to learn all about robots and how they work.
Love Basketball or Martial Arts? Come spend the week in the gym with our coaches to learn more about these sports.

Always Wanted to be a Superhero? This week students will spend time learning about their own super powers.

We have taken two great programs and combined them for one exciting session. By signing up for a weekly session, each student will get to participate in both programs.

- One Fee - \$95
- Two Programs.
- Exciting Sessions.

What more could you ask for? Classes are structured on a two-hour time frame. Each session is scheduled from 8 am - 12 pm with two different topics to be covered. Students will be separated into different age groups to allow each program to be customized with appropriate activities. The Robotics

camps this year have been separated into two different weeks. This will allow both age groups to have activities that are geared towards their interest levels.

Early drop-off times will be available from 7:30 - 8 am each day. Late pick-up times will be from 12 - 12:30 pm. Included in the registration fee will be:

- Early drop-off
- Late pick-up
- 2 programs each week
- Snack in between programs

Take a look at the amazing lineup of sessions and pick as many as you want.

Emergency Contact Information

It is of utmost importance that CCC&TI have telephone numbers where parents or other responsible persons can be reached in case of emergency. Parents will be required to provide contact information for each child that is registered.

Call 828.726.2242 for more information.

CCC&TI SuperSummer Camp Class Descriptions

Week of June 18 - 22 Power Cheer

Cheerleading/Dance

Students will be taught an age appropriate dance, cheer, and chant. The class will work on tumbling as well as stunting. Students also will do several team building/cheerleading activities, which will work to build self-confidence. The class will be high energy and lots of fun. Cheerleaders need to dress in gym shorts or pants, t-shirt, and tennis shoes. Hair needs to be put up off their shoulders. No jewelry is allowed! Students need to bring a bottle of water with their name on it.

Gymnastics/Dance

Like to dance? Want to learn some new moves? This course is designed to allow students to learn to express themselves through movement. They will learn many different dance styles within the classroom and will have time to share ideas and be creative in coming up with their own dance routine. Students will need to wear comfortable clothing that allows easy movement. They will also need tennis shoes and socks. Students should bring a water bottle with their name on it.

Week of June 25 - 29 Steps Ahead Fitness

Basketball Camp

Love Basketball? Want to learn more? Come and have fun this summer learning basketball fundamentals such as ball handling skills, passing, dribbling, shooting and team play. Bring your friends and make it a group effort. Students need to wear gym clothes and tennis shoes. All students will need a water bottle with their name on it.

Kickin' Martial Arts

This course will introduce students to the basic movements within martial arts. Several styles and techniques will be covered to help students get an idea of the many different disciplines that are taught. Students need to wear gym clothes, socks and tennis shoes. All students will need a water bottle with their name on it.

Week of July 9 - 13 For the Win!

Indoor Soccer Camp

Students will learn the basics of soccer in a fun and enjoyable environment. Small games and easy drills will help teach the kids how to kick, trap, and of course "no hand!" Students need to wear gym

clothes and tennis shoes. All students will need a water bottle with their name on it.

Pinewood Derby

Want to race a car? Want to build that car with your own hands? This course is designed to allow students to build their own pinewood derby car and to prepare for a race on the final day. Each student will take their car home with them.

Week of July 16 - 20 Super Hero Adventure

Super Hero in the Making?

Students will discover what makes a hero truly a hero, including their traits and how they treat others. Students will create superhero capes and masks while exploring their own heroic talents through role play and teamwork. Students will work to earn a superhero badge presented on the last day. The week will end with a birthday party for Superman.

Comicon Camp

Campers will meet our own local superheroes and learn how they save our world. They may meet a firefighter, police officer, someone from the military and a doctor. Come dressed as your favorite superhero or villain and enjoy a week of reading stories and make-believe battles, all while learning about the people who are our local superheroes!

Week of July 23 - 27 Little Robots (Ages 5 - 8)

Building Robots

Students will be involved in enjoyable, interactive, hands-on activities that include creating, designing, and building eco jewelry, robots, and

cars. Through this process, members will learn how to create and maintain an engineering notebook while learning about the engineering design process.

Robots Everywhere!

Robots surround us everywhere. Students will discover how they interact with robots on a daily basis and how they can work to make their own creations.

Week of July 30 - August 3 Bigger Bots (Ages 9 and up)

Building Robots

Students will be involved in enjoyable, interactive, hands-on activities that include creating, designing, and building eco jewelry, robots, and cars. Through this process, members will learn how to create and maintain an engineering notebook while learning about the engineering design process.

Robots Everywhere!

Robots surround us everywhere. Students will discover how they interact with robots on a daily basis and how they can work to make their own creations.

Week of August 6 - 10 Art Expo

Pottery

Like making things with your hands? Come experience the world of pottery. Students will have the chance to learn with hands-on experience the art of creating many different types of pottery. All of the pieces that are created within the classroom will be displayed at a gallery opening at the college on the last day. Students will be able to take their projects home at the end of the week.

Art: A Little Bit of Everything

Want to create something? Like to use your imagination? Come and allow your imagination to soar. This course will introduce students to many different types of art and allow many great hands-on projects. Students will be able to showcase their projects in an open gallery at the college on the last day of class.

New Camps for 2018 Archery

July 9 - 13 or July 23 - 27 • 9 - 11 am
(Ages 9 and up only. Cost: \$80)

Learn the basics of archery with local coaches through the National Archery in Schools Program (NASP). The class is designed to teach students about technique, equipment, rules and regulations and safety guidelines set forth by the NASP.

This class will meet off campus at the HUB gymnasium in Hudson. Parents are required to walk students in and come back inside for pick-up. No student will be allowed to leave the gym on their own.

Exploring Health Careers

July 16 - 20 • 8 am - 12 pm
(Rising 9th grade students and up
only. Cost: \$50)

Students will explore a wide variety of health-related career fields with hands-on activities facilitated by CCC&TI Health Science and Health Service Program instructors. The week will conclude with an open panel discussion with healthcare professionals and will give students a glimpse into what it's like to work in the fast-paced world of healthcare.

Camp Jam – Ultimate Music Camp

August 20 - 24 • 9 am - 12 pm
(Ages 8 and up only. Cost: \$95)

Offered in partnership with the Caldwell Arts Council's JAM (Junior Appalachian Musicians) Program, this camp will focus on traditional Appalachian music with instruction on a variety of instruments. Students will also have the opportunity to participate in the Happy Valley Fiddlers Convention in September. Instruments are provided.
