Course number(s)  Course names(s)  Enrolled  Initials
☐                    ☐                    ☐                    ☐

Students must present the white copy of this permission form signed by the school principal or designee to be allowed to enroll. The exact course(s) must be listed for which permission is granted for enrollment. A signed form must be submitted each semester.

I approve his/her enrollment in the pathway checked and in the following courses listed above.

Date                                                                 Signature of High School Principal/Designee
                                                                 Position

TO BE COMPLETED BY COLLEGE OFFICIAL

Attach a copy of test results and high school transcripts.

Date                                                                 Signature of College Official
                                                                 Position

Rev. 6-13-17 cw
Currently enrolled high school students may enroll in curriculum courses as outlined under the Career and College Promise legislation. Students must declare a pathway and meet specific eligibility requirements as defined by each pathway.

**College Transfer Pathway**

1. The Career and College Promise College Transfer Pathway requires the completion of at least thirty semester hours of transfer courses, including English and mathematics and ACA 122 College Transfer Success.
2. To be eligible for enrollment, a high school student must meet the following criteria:
   a. Be high school junior or senior;
   b. Have weighted GPA of 3.0 on high school courses; and
   c. Demonstrate college readiness on an assessment or placement test (PLAN, PSAT, SAT, ACT, NC DAP). A student must demonstrate college readiness in English, reading and mathematics to be eligible for enrollment in a College Transfer Pathway.
3. To maintain eligibility for continued enrollment, a student must
   a. Continue to make progress toward high school graduation, and
   b. Maintain a 2.0 GPA in college coursework after completing two courses.
4. A student must enroll in one College Transfer Pathway program of study and may not substitute courses in one program for courses in another.
5. A student may change his or her program of study major with approval of the high school principal or his/her designee and the college’s chief student development administrator.

**Career Technical Education Pathway**

1. The Career and College Promise Career Technical Education Pathway leads to a certificate or diploma aligned with a high school Career Cluster.
2. To be eligible for enrollment, a high school student must meet the following criteria:
   a. Be a high school junior or senior;
   b. Have a weighted GPA of 3.0 on high school courses or have the recommendation of the high school principal or his/her designee; and
   c. Meet the prerequisites for the career pathway.
3. College Career Technical Education Courses may be used to provide partial or full fulfillment of a four-unit career cluster. Where possible, students should be granted articulated credit based on the local or state North Carolina High School to Community College articulation agreement.
4. To maintain eligibility for continued enrollment, a student must
   a. Continue to make progress toward high school graduation, and
   b. Maintain a 2.0 in college coursework after completing two courses.
5. A student must enroll in one program of study and may not substitute courses in one program for courses in another. The student may change his or her program of study major with approval of the high school principal or his/her designee and the college’s chief student development administrator.
