MyCCCTI Portal

The MyCCCTI Portal contains access to services such as email, Blackboard, WebAdvisor and more, all in one place. All students will now use MyCCCTI to access their NEW email account.

Need to know how to sign in to your NEW email account?

- Go to http://my.cccti.edu
- Login with your NEW credentials
  - Your username consists of the **first 4 letters of your first name** followed by your **middle initial** followed by the **last 5 digits of your student id**.
  - Your password is the capital letter C followed by your full 7 digit student id followed by the * (asterisk symbol)
  - If your first name does not contain 4 letters, use your full name, middle initial, and last 5 of your ID. If you have NO middle initial or name, use your first 4 letters in your first name, and last 5 of your ID.
  - For more information and examples, go to http://www.cccti.edu/gmail.html
- Access your NEW email account by clicking the link in the left hand corner. Your new email address is your NEW username followed by students.cccti.edu

Returning Student?
If you are a returning student and need to access your old email account, follow these instructions:

- Follow the directions outlined above to log in to your new Google student account.
- Once you are in your NEW Google email account, logout of Google by clicking your username in the upper right and choose “sign out”.
- Now, close the screen by clicking the “X” in the upper right corner. You’ll be taken back to the MyCCCTI portal. Click your messages link in the left corner once again and sign in with your OLD username and OLD password. This account will be purged after September 7, 2012. Be sure to clean it out or forward messages to your new account.

Want to change your MyCCCTI Portal password?

- You’ll need to go to Webadvisor if you’d like to change your MyCCCTI Portal password.

  Access it at http://www.cccti.edu/webadvisor/ and click this box 🎨. Login in with your new credentials and your new password as noted above. Click “students” then “change password.” Follow the onscreen instructions. Your password must be at least 8 characters using both an uppercase letter, lowercase letter, and a number.
