Caldwell Community College and Technical Institute is a participating institution in the Emergency Financial Aid Grants to Students under the Coronavirus Aid, Relief and Economic Security (CARES) Act.

To address the pressing financial need of students due to the disruption of campus operations from coronavirus, and pursuant to the authority duly delegated to the Secretary of the U.S. Department of Education under the CARES Act and associated with the coronavirus emergency, as stated in Proclamation 9994 of March 13, 2020, “Declaring a National Emergency Concerning the Novel Coronavirus Disease (COVID-19) Outbreak,” Federal Register Vol. 85, No. 53 at 15337-38, CCC&TI has agreed to provide fifty (50) percent of the allocated grant funds under Section 18004(a)(1) of the CARES Act, Pub. L. No. 116-136 (March 27, 2020) for the sole and exclusive purpose of providing emergency financial aid grants to students for their expenses related to the disruption of campus operations due to coronavirus, such as food, housing, course materials, technology, health care, and child-care expenses.

The Agreement and Certification was signed by the President of CCC&TI on April 17, 2020 and returned to the Department of Education. As agreed, no less than fifty (50) percent of the funds received under Section 18004(a)(1) of the CARES Act will go directly to students for Emergency Financial Aid Grants to students.

On April 25, 2020, the U.S. Department of Education notified CCC&TI the grant fund request under Section 18004(a)(1) of the CARES Act was approved and funded. CCC&TI was allocated \$1,753,469 in grants funds of which \$876,735 will be directly distributed to students in accordance with Section 18001(a)(1) of the CARES Act in the form of Higher Education Emergency Relief Fund (HEERF) grants.

The total amount of Emergency Financial Aid Grants distributed to students under Section 18004(a)(1) of the CARES Act as of May 18, 2020 is \$441,570.

As of May 18, 2020, an estimated 1077 students were eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965 making these students eligible to receive Emergency Financial Aid Grants to students under Section 18004(a)(1) of the CARES Act.

As of May 18, 2020, Emergency Financial Aid Grant funds, under Section 18004(a)(1) of the CARES Act, were disbursed to 1077 eligible students.

- As of May 18, 2020, the method(s) used to determine which students receive Emergency Financial Aid Grants and how much they would receive under Section 18004(a)(1) of the CARES Act included:
- Identifying students who have completed the FAFSA and satisfied all required verification items used to determine an accurate EFC and/or were previously determined eligible under Section 484 in Title IV of the Higher Education Act of 1965
- Identify students who have completed the FAFSA but have no outstanding verification items that would exempt them from being eligible under Section 484 in Title IV of the Higher Education Act of 1965

- Identify the approximate number of students who have not completed the FAFSA (This figure was used in part when determining the initial base allocation)
- Identify the approximate number of students who have completed the FAFSA but have not yet completed the outstanding verification items that exempt them from being eligible under Section 484 in Title IV of the Higher Education Act of 1965 (This figure was used in part when determining the initial base allocation)

Using the methodology outlined above, CCC&TI was able to meet the institutional goal of quickly dispersing at least fifty (50) percent of the total amount of the allocated student portion of the CARES Act funds to eligible students. All students determined eligible under Section 484 in Title IV of the Higher Education Act of 1965 have or will be allocated an initial base award of \$410.

Beginning May 18, 2020, students were emailed an opportunity to apply for additional funding through the CCC&TI Emergency CARES Act Fund Application. Applications will be accepted until June 19, 2020. At that time, eligibility under Section 484 in Title IV of the Higher Education Act of 1965 will be determined and additional funds will be allocated. CCC&TI expects to expend all of the student portion of the CARES Act funds well before the annual deadline.

Caldwell Community College and Technical Institute (CCC&TI) is a participating institution in the Emergency Financial Aid Grants to Students under the Coronavirus Aid, Relief and Economic Security (CARES) Act.

CCC&TI was allocated \$1,753,469 in grants funds, of which \$876,735 will be directly distributed to students in accordance with the CARES Act in the form of Higher Education Emergency Relief Fund (HEERF) grants. The legislation specifies HEERF grant allocations must be used to cover expenses related to the disruption of campus operations due to the coronavirus. Qualifying expenses include a student's cost of attendance, such as:

- Food
- Housing
- Course materials
- Technology
- Relocation expenses
- Health care
- Child care
- Transportation

As a result, eligible students will receive \$410 to assist with expenses related to the disruption of campus operations. Checks were mailed out on Tuesday, May 19. These funds must be paid directly to students by the college and cannot be used to cover an existing balance and the student is not required to pay these funds back.

In addition to the base allotment, students experiencing financial hardships may apply for additional assistance using the [CARES Act Emergency Funds application](#). HEERF grant allocations will vary based on students' individual situations, but our distribution plan is designed to help the most students with the greatest financial need.
