Reply to my forum and tell me the following:

- Will you use this calendar?
- Do you already use a calendar? If so, what kind do you use?
- If you don't plan to use a calendar, how do you plan to keep up with your deadlines for classes?
- List one way you struggle with keeping organized.

You will reply to another student and offer some encouragement for completing these two courses. Reply to someone who hasn't already had a reply listed.
